

We are situated right across the road from Atherton train station which is just a 15 minute train ride from the centre of town from Victoria Station. Our website is being redone at the minute and the pictures will be very different over the next month again so I will send you updated ones once we have the rest of the floor finished plus a bar installed next week. We currently have no disability access either but again by July this will likely have changed.

- Name of venue

The Way Theatre/Studio

- Address

First floor, Victoria Mill, Bolton Old Road, Atherton, M46 9FD

- Venues twitter feed
[@StolenThreadCIC](#)

- Venues facebook page
[@TheWayTheatre](#)

- Hire Info including what is and is not included in the price (e.g Technician? Front of house? Box office staff?)

We can hire the space out from Thursday through to Sunday with the exception of Saturday mornings

£17.50 per hour if wanted for an hourly booking or alternatively

If somebody wants to use the space Monday-

Sunday (Monday/Tuesday/Wednesday daytime

and Thursday/Friday/Saturday/Sunday evening) this would be at a cost of £300 for the week

Front of house and bar will be provided but box office will be ran by themselves for ticket booking

We have basic house lighting available but a technician will need to bring their own dimmer board - this may change by July though as the theatre is still undergoing getting further lighting/sound/equipment installed

- Programming policy

Just contact elisew101@outlook.com as I'm super flexible and willing to help most people with any enquiries that they may have

- Tech Spec

7 fresnels and 2 spots available to use but still in the process of getting a dimmer board and current cabling - would advise to source their own at this time

- Floor plan

Seats a total of 120 but if wanting an intimate show then can be halved via blackout curtains to create a 60 seater theatre space
