

**Xolo is a Mexican themed tequila drinking den. The 400 capacity, underground, late night venue is a Day of the Dead inspired emporium of all things Mexican.**

**Xolo offers a bespoke list of cocktails inspired by Mexico's favourite tippie. Cocktails include frozen Margaritas and sharers such as the Zombita – a heady mix of tequila, tropical fruits and fire, or the Tijuana Sangria – tequila mixed with red wine, lemon and orange.**

**Our Mexican hideaway isn't just about the exotic booze though. With a top of the range Funktion-One sound system, dizzying overhead lighting, strobes and lasers, Xolo is equipped to play host to all sorts of events and parties.**

We will provide a fully stocked bar with staff. We will also provide security and assistance in setting up sound and visual equipment. We will promote the event via our social media channels as well as in our newsletter for the month in question, which will be sent directly to a high volume of relevant customers.

We can provide a member of staff for admissions, but their hourly rate would need to be paid by the promoter/artist/act. Otherwise, whoever is using the venue would need to find their own member of staff for admissions.

Thanks
